An early morning quietness envelopes a slowly awakening campus. A sleepy sun sends golden rays cutting through the mist of day break, stirring life . . .

Life that rushes and runs and
hurries and darts and seeks
and hopes and runs some more . . .
Life that is the joy of
familiarity and the excitement of the newness . . .

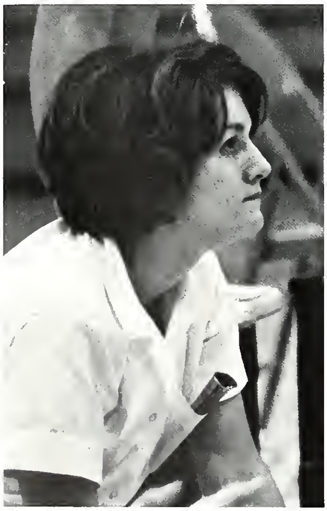
Life that is a series of deadlines,
arguments, debates, friendships . . .
and in a hurry to go . . .

Yet at a glance is filled with beauty and majesty . . .

Or happy faces, or exciting ones, but always familiar ones . . .



Life that is a constant grasping for knowledge . . .

Life that is a series of steadfast monuments to learning and living . . .

Life that is love . . .

GOLDEN VICTORY

Life that is a row of washing machines,
a hamburger, a game of pool,
or an empty mail box . . .

And a singing heart . . . or perhaps a broken one . . .

"Yes, there must be a golden victory"—John Keats

Life that is drenching, cleansing rain,
washing freshness into dusty existence . . .

The smell of make-up and the heat of footlights . . .

And personalities and situations . . .

ALABAMA COLLEGE

And more rain, and rain . . . and leaves . . .

And a life that is finally restful, a quiet room, a dark solace where jumbled thoughts relax, a feeling of belonging . . .

This is Life . . .
And The Montage is a record of life.

THE DELTA SOCIAL CLUB

The Delta Social Club has added much to the college life of Alabama College students. The members of this fraternal organization are encouraged to take an active part in extracurricular activities, and social functions, and to excel scholastically. Through the members participation in these activities. they have produced a feeling of brotherhood among themselves. and a feeling of unity among fellow students.

The Delta Social Club is made up of many types of male students. This gives a social club a recognition on campus, which no other club can obtain. It is also made up of representatives from each department in the school. With a representative from each department. a member can receive aid in his studies. This enables each member to keep his scholastic average higher.

The Delta Social Club has been an avid participant in intramural sports since its recognition on campus. The club has been called on many times to work with other organizations to help improve the campus life of the students.

The future holds that the Deltas will work harder, and help the Alabama College students progress.

THE MEISTER SOCIAL CLUB

The Meister Social Club was founded in 1959 as the Pi Alpha fraternity. After being recognized by the administration in 1962, the name "Meisters" was adopted. The club is now jointly sponsored by Reuben A. Triplett and William Cobb.

During the past year the members of this organization have established fine records in a variety of fields ranging from scholarship to athletics. As well as having many private social functions, the Meisters sponsor open events for the campus. The school year 1965-1966 has truly been a good one for the Meisters for in every activity the motto "Unus in Fraternitate" has been foremost in the mind of every member.

Seated L-R: Farr, Harris, Vogel, Detko, Grimes, Harkins Hughes *Standing:* Braswell, Potter, Fray, Honea, Bailey, Wilson, Dupuy, Hill, McDanal, Triplett (sponsor), Bandow (President).

THE SIGMA SOCIAL CLUB

The Sigma Club, founded in 1962, is pledged to the promotion of scholarship, the creation of an active social life, the cultivation of leadership, the promotion of a wholesome athletic program, the performance of worthwhile service projects, the encouragement of participation in campus activities, and the fostering of a close-knit brotherhood. Without demanding conformity, the organization encourages its membership toward the ideal of the well-rounded college man, while attempting to cultivate individual talents and interests.

The group, presently holding the Inter-Social Club Council Scholarship Trophy, boasts a large number of accomplishments in every field of inter-social club competition. Mr. Steve Huffstutler serves as club sponsor.

LIFE IS ACTIVITIES . . .

A Montage is more than a collection of pictures. It's a collection of deadlines and headaches and hard, hard work. It's staying on an empty, lonely campus during a vacation. It's sitting in a quiet office arranging, changing, rearranging while more exciting, more enjoyable life goes on elsewhere.

A Montage is a pulsating heart between hard covers. Its rich red blood spurts from page to page, from picture to picture and gives life to a thousand memories.

The Montage, to its possessor, may be a classmate or a theatre production . . . it may be an organization or a ball game . . . it may just be a fleeting moment in time captured forever on a piece of film that tells of a time that will never return.

The Montage is a youthful heart, an ageless heart needing only a glance at its pages to live again.

The Montage is more than a labor of love. It's a labor of life and a record of those who lived it.

And the long nights and lonely days are suddenly worthwhile . . .

COLLEGE

College Night is a unique creation . . . it is born, it lives briefly but fiercely, and it dies, dying quickly but with hard, fast, deep gasps . . . only to be reborn in another time.

College Night carries with it the wild exciting heart-stopping thrill of victory . . .

And the pain, the sad emptiness of defeat.

NIGHT

But no one ever really loses College Night. As long as one Purple goes through campus yelling PV and one Gold matches him with a GV, no one will lose College Night. It's a feeling of pride, of accomplishment, of love and it's a mixture that defies the attachment of won or lost labels.

College Night is entertainment and friendship and satisfaction and only an empty stage on a late Saturday night in February can really explain the void left with its annual passing. Only then can you realize that everybody has won, actually . . .
